## Talents and weaknesses

**Venus** opposite **Jupiter**: Positive emotions. Likes people who are lively and knowledgeable, e.g. foreigners. Optimistic, friendly and popular. Wants to have plenty of people around. Extravagant - "big spender".

**Venus** opposite **Uranus**: Likes freedom and excitement in relationships. Attracted to unusual people. Original taste in art. Emotionally unpredictable: sometimes detached and cool, sometimes charming and electrifying.

**Mars** opposite **Neptune**: Assertive energy tied to his imagination. Talent for healing and the arts. Idealistic, possibly deceptive. Doesn't always have a clear direction for his actions. Projects may become chaotic or "go up in smoke".

**Jupiter** trine **Saturn**: A careful planner. Able to organize and develop projects in a constructive, realistic and practical manner.

**Saturn** trine **Uranus**: Takes on responsibility without losing his freedom. Finds it relatively easy to make changes and reinvent his image. A creative and flexible organizer.

**Venus** sextile **Saturn**: Likes to control his emotions and to be formal and responsible in relationships. Good eye for form and structure. Likes his friendships to be solid and lasting.

**Mars** square **Uranus**: Likes to act in bursts - courageous and daring. Needs freedom and excitement in work and can't stand interference. Stressed, restless and nervous. An inventor or an entrepreneur.

**Mars** trine **Pluto**: Able to concentrate and focus while working. Ignores distractions and acts in a single-minded manner. Good reserve of energy, i.e. recharges his batteries and goes on for a long time.

**Jupiter** conjunct **Uranus**: Free spirited and liberal. Attracted to ideas that offer individual freedom and free enterprise.

**Saturn** square **Pluto**: Potentially a difficult energy. Can be very determined, focused and disciplined - but also rigid, ruthless and even cruel (perpetrator or victim).
